Your Honor,

My name is Dolores Ricarte the mother of Jose Ricarte Jr #99634280 I am writing this letter hoping to find you in good spirits and health and hoping the release of my son for the holidays. He is my only son that I have he was my helper and second hand for everything that his father and myself needed help with. He also was the one who did work for my business since his incarceration my business has lost customers due to him not being able to do my installation of draperies. He is a good person what he did was wrong and he is paying for his wrong doings. My husband and I are in our late 50's and have gotten ill since he has been gone due to us having to do work at home on our own we own land out in the country and now that it is just me and my husband the yard work and car maintenance has become overwhelming for us. These holidays with out my son have been stressful and sad. Thank you for giving me this time to express my feelings and concerns for my son.

Thank you

Mr&MrsRicarte
